# Thank you for your gift, passion, knowledge, experience, and dedication to teaching!

Dear Sister Rosaire!

You have beautifully dedicated your talents to the students and families above and beyond the call of duty. The Conservatory has been blessed by your many years of service. Your service has greatly contributed to building a firm foundation for which other lay teachers who follow will be able to carry on the legacy of music education through the Conservatory. You have done well to be a positive person and face of the Conservatory. Please know that you are appreciated for everything you have done and for your personal approach to everyone at the Music Building.
