Zoom/In-Person Recitals at the Conservatory

Musicians need performance opportunities and goals to meet by preparing for recitals. This is the one of the best ways to become a better musician and helps one to be more motivated to practice. Also, when students show their skills and talents to large audiences they gain confidence which assists them to build up their self-assurance. **We will have both ZOOM and IN-PERSON recitals** in the **Spring and Summer Semesters**. Let your teacher know which date works for you. We will let you know when we have the 1st IN-PERSON recital. Zoom recital links will be sent later. Please find all recital dates below:
